FOR IMMEDIATE RELEASE

Toronto, ON (CGX.UN) – October 13, 2005 – Cineplex Entertainment invites Vancouver Canucks' fans to the unique opportunity of watching "larger than life" hockey games on wall-to-wall screens at eight participating theatre locations across the province of British Columbia. The 15 regular season games scheduled to be shown are available only to subscribers of *Molson Canadian Canucks Pay-Per-View* and will not be seen on cable television. The images projected on the screen will be larger than life-size and the theatre will provide a comfortable and safe venue for any Canucks fan to view their favourite team.

"Cineplex Entertainment is all about bringing our guests more than just movies," says Pat Marshall, Vice President Communications and Investor Relations for Cineplex Entertainment.

"The only thing that is better than watching the Canucks on our giant wall-to-wall curved screens, in Dolby Digital Sound, is being in the stands at the actual game. Canucks' fans now have an outstanding opportunity to come out and cheer for the home team in eight cities across the province!"
