4. TOURNAMENT

4.1 – STRUCTURE

<u>Stage One: Online Qualifiers</u>

- How to Enter:
  - The Online Qualifiers will consist of three (3) online tournaments, per region, as set out in Section 6, open to up to 64 Entrants each, to be held on:
    - Ontario and British Columbia regions
      - Saturday June 24
      - Sunday July 2
      - Saturday July 8
    - Quebec, Manitoba, and Alberta regions
      - Sunday June 25
      - Saturday July 1
      - Sunday July 9
  - An Entrant may participate in the Online Qualifiers by navigating to http://worldgaming.com/injustice2 (the "Website") during the Registration Period and, under "REGISTER", "INJUSTICE 2 TOURNAMENTS" and their preferred location, date, and time from the options presented. Available spots are assigned on a first come, first served basis.
  - The Entrant will be required to create and/or login to their WorldGaming account prior to being permitted to register for any online tournament.

- How to Play:
  - The Online Qualifiers are open to all eligible Entrants. Entrants will join region-specific online tournaments and will be awarded points based on their final placement in each tournament. At the end of the Online Qualifiers, the top 16 Entrants based on accumulated points, per region, will be deemed Regional Finalists and will qualify for the corresponding Regional Finals event. Points distribution, per online tournament, will be:
    - 1st place: 80 points
    - 2nd place: 35 points
    - 3rd/4th place: 15 points
    - 5th – 8th: 5 points
    - 9th – 16th: 1 points

- If two (2) or more Entrants in the same region have accumulated the same number of points at the end of the Online Qualifiers, the tie in rank will be resolved by applying the following tiebreakers, listed in order of application:
    - Highest rank (1st, 2nd, etc.) in any single region-specific online tournament
    - Points earned during the region-specific online tournament on July 8th or 9th
    - Points earned during the region-specific online tournament on July 1st or 2nd
    - Points earned during the region-specific online tournament on June 24th or 25th
    - Total number of Matches won in all region-specific online tournaments
- Entrants may register for more than one (1) online tournament and/or region, but Entrants will be required to attend the region that they have earned the most points in. There are no exceptions.
    - For example, if Player A earns 50 points in Toronto-based online tournaments, and 23 points in Ottawa-based online tournaments, Player A will be required to attend the Toronto Regional Finals event.
- Only Entrants whose PSN IDs match those submitted during registration are eligible to play in the Tournament. Each Entrant permits the Administrator to verify that his/her name is registered to the PSN ID used to enter the Tournament. In the event Administrator is unable to conclusively verify that the name of an Entrant matches the PSN ID used to enter the Tournament, that Entrant will be disqualified
- Seeding is generated sequentially based on time of entry. Entrants will only be playing against other Entrants that have registered for the same online tournament. All online tournaments will begin at their designated start time regardless of the number of registered Entrants. If a tournament does not fill to maximum capacity by the designated start time it will still play out in full and all Entrants that have registered up to that point will be able to compete. Any Entrant without an opponent in a tournament round will receive a "bye" to the next round, at the discretion of the Administrator.
- Each online tournament entered into has a pre-determined start time which can be found by viewing the tournament under the "My Tournaments" tab of an Entrant's WorldGaming account.
- All Matches are automatically generated on http://worldgaming.com/ (the "WorldGaming website") on the day of the online tournament under the "Today's Challenges" tab of an Entrant's WorldGaming account. The Entrant must check-in to each of their Matches on the WorldGaming website at the scheduled time or they will forfeit that Match. The Entrant must then play their opponent over the PlayStation® Network using their owned copy of Injustice 2, and report the results on the WorldGaming website afterwards under the "Today's Challenges" tab.
- Entrants **must** be in the Northern Fights Discord server for the duration of each online tournament that they've registered in, or they may be disqualified at the discretion of the Administrator. The URL is available on each online tournament page on the WorldGaming website.
- **FORMAT FOR ALL ONLINE TOURNAMENTS: Single elimination; best of 5 Games for all Matches; Competitive Mode must be turned on.**
- In the event that a qualified Regional Finalist is unable to take part in the Regional Finals or is disqualified or found to be ineligible by the Administrator a replacement will be determined, at the discretion of the Administrator, by selecting the Entrant that had the next highest number of accumulated points in that region.
- Match Hosting:
    - The Entrant that appears on top in the bracket, when viewed through the 'My Tournaments' tab of an Entrant's WorldGaming account, is responsible for creating and hosting the first Game of the Match. For all subsequent Games, the losing Entrant may request that the host switches, but is not required to. A 5-minute grace period between Games will be permitted to allow a new host to setup, if required.
    - The host is responsible for inviting the opposing Entrant to the Versus Lobby.
    - The host is responsible for ensuring that all settings are correct (see "Online Requirements" under "4.2 – GAMEPLAY SETTINGS" below). Any Game started with the wrong settings may result in a forfeit for the host.
- Match Disconnections/Can't Connect:
    - Player disconnect: The disconnected Entrant will forfeit the Game.
    - "Unable to Connect to Network" disconnect: The disconnected Entrant will forfeit the Game.
- Entrants are required to take appropriate in-game screenshots that display the final results of each Game, and should be prepared to provide them immediately at the request of the Administrator. Failing to do so,

or providing false information, may result in immediate disqualification, at the discretion of the Administrator.
    - If neither Entrant checks in to their Match and/or if a Match is not played and neither Entrant submits a Ticket requesting the forfeit win, both Entrants will forfeit the Match and be eliminated from the online tournament.
    - Format, modes, stages, settings, and restrictions are subject to change at the discretion of the Administrator. Additional details will be provided on the Website for each online tournament.

<u>Stage Two: Regional Finals</u>

- Each region's Regional Finals event will consist of a live tournament to be held on July 15, 2017, open exclusively to the 16 Regional Finalists that qualified through the corresponding Online Qualifiers. Exact start time to be determined.
- Each Regional Finalist must be willing, available, and able to (at their sole cost and expense) travel to and participate in their respective Regional Finals event on the date and time as determined by the Administrator or the Regional Finalist will forfeit their right to participate in said event. No player substitutions are permitted. Releasees, as defined below, are not responsible and not liable if any Regional Finalist is not able to or prevented from travelling to their theatre location. If a Regional Finalist does not arrive in time to compete in the Regional Finals, that Regional Finalist will be disqualified and no longer eligible to win a prize.
- The Regional Finals will be in accordance with the instructions of the Administrator. Any disputes will be resolved by an independent judging organization, whose decision shall be final, conclusive and binding. The judges' decisions shall be made strictly in accordance with these Tournament Rules and any other rules and procedures put in place for the Regional Finals.
