Magnificent Desolation: Walking on the Moon 3D
to Open at Cineplex Galaxy IMAX locations across Canada

September 20, 2005 – Toronto, ON (CGX.UN) – Cineplex Galaxy, with the magic of IMAX[®] 3D, takes one giant step for audiences this Friday, September 23, 2005 at seven Cineplex Galaxy IMAX theatres across Canada. *Magnificent Desolation: Walking on the Moon 3D*, features previously unreleased NASA footage following 12 extraordinary astronauts as they experience walking on the moon.

“We are delighted to present this unforgettable experience in IMAX[®] 3D,” says Pat Marshall, Vice President Communications and Investor Relations, Cineplex Galaxy. “Cineplex Galaxy is a leading North American exhibitor, and we are committed to presenting our guests with state-of-the-art and entertaining features. *Magnificent Desolation* offers our guests an experience that is literally, out of this world.”

Audiences can experience the sights, sounds, and thoughts of the astronauts through actual voice transmissions from the Apollo astronauts; Tom Hanks’ narration; and a star-studded cast of celebrity voices, including Matt Damon, Paul Newman, John Travolta and Donnie Wahlberg. Visually, the film includes computer graphic images and live-action renditions of the lunar landscape combined with IMAX[®] 3D technology and digital surround sound to provide a completely immersive cinematic experience.
