## 3D Movies Arrive at Galaxy Cinemas Medicine Hat

Cineplex Entertainment announces an additional 21 theatres in Canada to be equipped with digital 3D projectors in time for *Jonas Brothers: The 3D Concert Experience*

TORONTO, ON, February 18, 2009 (CGX.UN) – Cineplex Entertainment is about to change the movie going experience in Medicine Hat forever. As of February 27<sup>th</sup>, 2009, Medicine Hat residents will be able to experience the best in digital cinema including 3D movies, with the installation of a digital projection system located at *Galaxy Cinemas Medicine Hat*. Additionally, we are very pleased to announce in association with Walt Disney Studios Motion Pictures Canada, the first 3D movie to premiere in this location using this new digital system will be *Jonas Brothers: The 3D Concert Experience*.

The theatre will be equipped with Canadian made Christie CP2000 series DLP Cinema projectors. DLP Cinema projectors deliver the most visually stunning, razor-sharp images that movie goers have ever seen. The system will be further enhanced with the addition of REAL D 3D technology enabling this theatre to also present the latest 3D movies. REAL D is the global leader in 3D, bringing the most advanced digital 3-D experience to cinemas worldwide.

“Medicine Hat residents are going to love the bright, crystal clear images of digital presentations,” said Pat Marshall, Vice President Communications and Investor Relations, Cineplex Entertainment. “With the addition of REAL D, audiences will now be able to enjoy an incredibly immersive 3D experience. I love watching the audience wearing their 3D glasses and seeing people reach out to touch the images that appear to be floating in front of them and with our premiere film, audience members will feel as if they are on stage dancing beside the Jonas Brothers.”

Cineplex Entertainment is adding 21 new digital projection systems, enhanced with Real D 3D technology, to 21 theatres located in 21 cities across Canada over the next few weeks. With these additional 21 units, Cineplex Entertainment will have 106 screens equipped with digital projection systems of which 70 screens are enhanced with RealD 3D technology.

Advance tickets for *Jonas Brothers: The 3D Concert Experience* are available now online at [www.cineplex.com](http://www.cineplex.com) or in person at the theatre listed below:
