## **CINEPLEX ODEON MEADOWTOWN CINEMAS OPENS FRIDAY, NOVEMBER 19**

Toronto, ON, November 10, 2004, (TSX: CGX.UN). Cineplex Galaxy is very pleased to announce the grand opening of the new Cineplex Odeon Meadowtown Centre Cinemas will be 6:00 p.m. on Friday, November 19, 2004. "It is always great news to be able to announce our opening date in a new community," said Pat Marshall, Vice President communications for Cineplex Galaxy, owners of the new theatre. "We have been looking forward to this opening in Pitt Meadows since before construction began on the project back in April of this year.

Cineplex Odeon Meadowtown Centre Cinemas will offer more than movies. "In the majority of the other cities we operate in, we have shown that our theatres attract large numbers of people of all ages from far and wide, providing traffic that supports many businesses located near the theatre and keeping entertainment spending that may have previously flowed out of the community, at home," said Marshall. Canada's major cities have seen an explosion of movie attendance in the past few years, driven by new movie theatres just like the Cineplex Odeon complex being planned for Pitt Meadows. The new theatre will cost about \$9 million to build and equip and has generated more than 150 new construction jobs over the past seven months. On an ongoing basis, the theatre will employ approximately 85 permanent and part-time staff. "We are very excited about becoming a part of the Pitt Meadows and Maple Ridge communities," said Marshall. "We have a lot of great plans for this theatre and I think you will be both surprised and delighted by the way we will evolve and become an important and active member of the community." Marshall went on to say "film clubs, charity events, family days and student events are just some of the many activities planned."
