EDMONTON OILERS HIT THE ICE ON THE BIG SCREEN AT SELECT CINEPLEX ENTERTAINMENT DESTINATIONS IN EDMONTON

Toronto, ON (CGX.UN) – November 3, 2005 – Cineplex Entertainment invites Edmonton Oilers' fans to the unique opportunity of watching "larger than life" hockey games on wall-to-wall screens at four participating theatre locations in the Edmonton area. The nine regular season games scheduled to be shown are not available on cable television, making this a unique opportunity for families to see the games. The images projected on the screen will be larger than life-size and the theatre will provide a comfortable and safe venue for any Oilers fan to view their favourite team.

"Cineplex Entertainment is all about bringing our guests more than just movies," says Pat Marshall, Vice President Communications and Investor Relations for Cineplex Entertainment. "The only thing that is better than watching the Oilers on our giant wall-to-wall curved screens, in Dolby Digital Sound, is being in the stands at the actual game. Oilers' fans now have an outstanding opportunity to come out and cheer for the home team!" Marshall went on to say: "By showing NHL Hockey at our theatres, Cineplex Entertainment is offering a fun and affordable family activity."
