Cineplex Entertainment Expands UltraAVX™ in British Columbia

Now at SilverCity Coquitlam and SilverCity Metropolis Cinemas

WHAT:

Cineplex Entertainment today announced a new UltraAVX auditorium will open on Friday, April 29, 2011 at both *SilverCity Coquitlam Cinemas* and *SilverCity Metropolis Cinemas* (located in Burnaby). Each new auditorium will open in time for *Fast Five* which races into theatres April 29th.

With the sharpest picture, crispest sound and reserved seating, UltraAVX provides our guests with a truly immersive movie-going experience. UltraAVX features wall-to-wall screens that are significantly larger on average than our traditional screens. Christie Solaria 2230 DLP Cinema® projectors provide a superior digital presentation projecting crystal clear images onto the big screen. The system is further enhanced with the addition of RealD 3D technology enabling us to present the latest 3D movies. Complimenting the stunning on-screen picture is a superb digital surround sound system featuring the latest in Dolby digital sound technology. Guests will also love the new reserved seating option especially when they settle in to the extra-wide high-back rocker seats. With UltraAVX, you pre-select your own seat, you experience captivating sound with up to 7.1 Dolby digital surround sound and vibrant imagery on a screen that extends wall-to-wall.

Upcoming movies that will be offered in the UltraAVX auditorium at *SilverCity Coquitlam Cinemas* and *SilverCity Metropolis Cinemas* include *Thor* in 3D (opening May 6th) and *Pirates Of The Caribbean: On Stranger Tides* also in 3D (opening May 20th). With these new openings, there will be 20 UltraAVX auditoriums located across Canada with more planned to open in 2011. A complete list of UltraAVX locations is available below.
