3D MOVIES ARRIVE AT SILVERCITY LONDON CINEMAS

CINEPLEX ENTERTAINMENT ANNOUNCES 25 THEATRES IN CANADA TO BE EQUIPPED WITH DIGITAL 3D PROJECTORS AND PREMIERES WITH HANNA MONTANA & MILEY CYRUS: BEST OF BOTH WORLDS CONCERT

TORONTO, ON, February 28, 2008 (CGX.UN) – Cineplex Entertainment is about to change the movie going experience in London forever. As of March 14th, 2008, London residents will be able to experience the best in digital cinema including 3D movies, with the installation of a digital projection system located at *SilverCity London Cinemas*. Additionally, we are very pleased to announce in association with Walt Disney Studios Motion Pictures Canada, the first 3D movie to premiere using these new digital systems will be *Hanna Montana & Miley Cyrus: Best of Both Worlds Concert*.

The theatre will be equipped with Canadian made Christie CP2000 DLP Cinema projectors that can present digital movies in 2D or 3D. DLP Cinema projectors deliver the most visually stunning, razor-sharp images that movie goers have ever seen. The system will be further enhanced with the addition of REAL D 3D technology enabling this theatre to also present the latest 3D movies. REAL D is the global leader in 3D, bringing the most advanced digital 3-D experience to cinemas worldwide.

“London residents are going to love digital theatre,” said Pat Marshall, Vice President Communications and Investor Relations, Cineplex Entertainment. “With digital projection, every presentation looks as if it is being presented for first time on screen. Images are always bright, crystal clear and sharp.” Marshall also said, “With the addition of REAL D, audiences will now be able to enjoy an incredibly immersive 3D experience. I love watching the audience wearing their 3D glasses and seeing people reach out to touch the images that appear to be floating in front of them and with our premiere film, audience members will feel as if they are on stage beside Miley Cyrus.”

“Audience reaction for the 3-D presentation of *Hannah Montana & Miley Cyrus: Best of Both Worlds Concert* has been overwhelming,” said Anthony Macina, Vice President, Sales for Walt Disney Studios Motion Pictures Canada. “Miley is clearly one of today’s most exciting, talented and charismatic performers and we’re delighted that her many fans in London will be able to enjoy this entertaining and innovative 3-D concert experience.”

Cineplex Entertainment is adding 25 new digital projection systems, enhanced with Real D 3D technology, to 25 theatres located in 11 cities across Canada over the next few weeks.

Advance tickets for *Hannah Montana & Miley Cyrus: Best of Both Worlds Concert* go on sale today, February 28th and are available online at www.cineplex.com or in person at the theatre listed below:

“Hannah Montana & Miley Cyrus: Best of Both Worlds Concert” was shot in state-of-the-art 3D at several venues during the 54-city tour, which began in St. Louis on October 18th 2007 with Cyrus’s special guest, Jonas Brothers. The film was directed by Bruce Hendricks (ESPN’S Ultimate X: The Movie) and produced by Art Repola (ESPN’S Ultimate X: The Movie) from the concert tour created and directed by Kenny Ortega (High School Musical). Cyrus, the 15-year old singing sensation and star of Disney Channel’s hit series, performs as both a solo artist and as her hugely popular television character, Hannah Montana. The series is currently in its second smash season, and has attracted legions of fans all over the world.
