

**FOR IMMEDIATE RELEASE**

**UltraAVX auditorium to open at *Galaxy Cinemas Milton***

Auditorium features wall to wall screen, ultra high definition projection and stunning Dolby® Atmos™ surround sound

Toronto, ON – May 1, 2013 (TSX: CGX) – Cineplex Entertainment will open a cutting edge UltraAVX™ auditorium at *Galaxy Cinemas Milton* on Thursday, May 2 – showing a special advance screening one of the year’s most anticipated movies, *Iron Man 3*.

UltraAVX auditoriums feature wall to wall screens that are significantly larger than those found in traditional auditoriums, ultra high definition projection and Dolby Atmos surround sound. Guests will also enjoy high-back rocker seats and reserved seating.

“UltraAVX auditoriums are made for fans of a big screen and big sound,” said Pat Marshall, Vice President, Communications and Investor Relations, Cineplex Entertainment. “We know our guests are going to love the cutting edge experience – beginning with the arrival of one of the year’s most anticipated movies.”

Tickets are on sale now at the theatre box office, through the Cineplex mobile app, or online at [cineplex.com](http://cineplex.com).

**About UltraAVX**

*UltraAVX* provides guests with the sharpest picture, a powerful digital surround sound system and reserved seating, delivering a truly immersive movie-going experience. *UltraAVX* features wall-to-wall screens that are significantly larger on average than our traditional screens. Christie Solaria™ Series 4230 DLP Cinema® projectors provide an ultra high definition presentation, projecting super bright, crystal clear images onto the big screen.

The system is further enhanced with the addition of RealD 3D technology, enabling the presentation of the latest 3D movies. Complementing the stunning on-screen picture from these new 4K projectors is a superb Dolby Atmos surround sound system that envelops the audience and takes the cinema experience to a whole new level. Guests will enjoy the super comfy high-back rocker seats. Because all seats are reserved, guests can select the specific seat(s) they want in the auditorium when they purchase their tickets.
