Toronto, Ontario, June 8, 2004. Cineplex Galaxy LP is very pleased to announce that tickets for the highly anticipated film *Spider-Man 2* are now on-sale at select Cineplex Odeon and Galaxy Cinemas across Canada. The film, starring Toby McGuire and Kirsten Dunst, is the sequel to the hugely successful *Spider-Man* film released in 2002.

“Given the huge interest in this film we knew that our theatre guests would want to get their tickets as soon as possible so they are available now, a full three weeks ahead of the film’s opening date on June 30th,” said Pat Marshall, Vice President Communications and Specialty Marketing for Cineplex Galaxy LP.

In *Spider-Man 2*, the latest installment in the blockbuster *Spider-Man* series based on the classic Marvel Comics hero, Toby Maguire returns as the mild-mannered Peter Parker, who is juggling the delicate balance of his dual life as a college student and a super-human crime fighter. The entertaining adventure escalates and Spider-Man’s life becomes even more complicated when he confronts a new nemesis, the brilliant Otto Octavius, (Alfred Molina) who has been reincarnated as the maniacal and multi-tentacled “Doc Ock”.

Tickets can be purchased in person, now, at any of the following Cineplex Odeon or Galaxy cinemas.
