Director Marc Forster’s follow-up to *Monster’s Ball* is *Finding Neverland*, a tale of magic and fantasy inspired by the life of James Barrie, the real-life author of the children’s classic *Peter Pan*. Set in London in 1904, the film follows Barrie’s creative journey to bring *Peter Pan* to life, from his first inspiration for the story up until the play’s premiere at the Duke of York’s Theatre – a night that will change not only Barrie’s own life, but also the lives of everyone close to him.
