### **Over \$3,000 Raised at the Galaxy Cinema Regina Starlight Film Festival**

Regina, SK June 7, 2005 (TSX:CGX.UN) - Galaxy Cinema Regina is proud to announce this weekend's Starlight Film Festival raised over \$3,000 for the United Way of Regina. Over 150 young people attended the movie marathon event, making the fundraiser a great success.

"Starlight Film Festivals provide a fun opportunity for young people to get involved and make a worthwhile contribution to the United Way," said Pat Marshall, Vice-President Communications and Investor Relations, Cineplex Galaxy LP. "We're delighted to help support United Way, but the real stars of the show are the students who come out for a night of great movies and give back to their community."

Vic Huard, CEO of the United Way of Regina, said the Starlight Film Festival couldn't have happened without the generous support of volunteers. "We appreciate the support of Galaxy Cinema Regina, and the thirty-five volunteers who came out to pull an all-nighter and ensure a safe and fun evening for all the guests. It's a great event for us and a chance to connect with young people in a festive atmosphere."

Cineplex Odeon and Galaxy Cinemas are the exclusive hosts of Starlight Film Festivals to raise money for United Way Chapters across Canada. The fundraising event invites young people to purchase a ticket for an over-night movie marathon, with all proceeds going to the local United Way. So far this year, Starlight Film Festivals across Canada have raised over \$34,000 and there are more to come!
