All decisions regarding the interpretation of these Tournament Rules lie solely with the Administrator, the decisions of which are final and binding in all respects. Reference to Entrant(s)/Team(s) or Entrant(s)/Team Member(s) are as applicable.

1. TOURNAMENT PARTIES

- WorldGaming Network LP, 1303 Yonge Street, Toronto, Ontario, M4T 2Y9, is solely responsible for organizing and administrating the Tournament (“WorldGaming” or “Administrator”).
- Alisports Co., Ltd, No. 640 Longchang Road, Yangpu District, Shanghai, is solely responsible for providing the prizes (“Alisports”).

2. TOURNAMENT DATES

The specific dates that apply to each Tournament are set out in the individual Tournament pages. Each Tournament will have a registration period, Online Qualifiers and Online Playoffs rounds, and a live event Canadian Finals (collectively, the Tournament Stages”). All dates, times, and locations are subject to change. In the event that there is a change to the date, time and/or location of a Tournament Stage, Administrator will use reasonable efforts to notify all Entrants at least 72 hours prior to the event date. For Team Tournaments, the Team Captain will be notified for any changes. It will then be their responsibility to relay the information to the remaining Team Members. While each Entrant may participate in more than one Tournament, if eligible, the Canadian Finals for each Tournament may overlap. In the event an Entrant qualifies

for the Canadian Finals for more than one Tournament, that Entrant must choose which Tournament they wish to compete in at the Canadian Finals, and notify the Administrator no less than three (3) weeks prior to start of the Canadian Finals.

3. TOURNAMENT PRIZES

Unless otherwise set out in the individual Tournament pages, cash prizes will be awarded to the top four players or Teams for each Tournament. All cash prizes are awarded in Canadian dollars ("CAD"), and will be paid directly to and in the name of the Entrants and will not be paid to any third party, including but not limited to agencies, agents or representatives for the Entrants. Cash prizes awarded to teams will be evenly split among the Team Members that competed in the Canadian Finals. Individual cash prizes valued at \$500 or less may be awarded in the form of a pre-paid credit card. Please see the individual Tournament pages for the cash prizes to be awarded.

In addition, the confirmed winner/winning Team of each Tournament will qualify to represent Canada at the WESG 2019 Grand Finals in Shanghai, China, in March 2019 (dates to be confirmed) (the "Global Event"). For the Team Tournaments, only those Entrants/Team Members that participated in the Canadian Finals will be eligible to travel to the Global Event. In the event that a Team Member on the winning Team is unable to participate in the Grand Event, the Administrator reserves the right to permit the winning Team to make up to one (1) player substitution, provided that the substituted Entrant is not already a member of another Team or a single player eligible to compete in the Global Event and otherwise meets all eligibility requirements as set forth below. Travel arrangements and accommodations for the confirmed winners/winning Team Members to participate at the WESG 2019 Grand Finals to be coordinated and booked at a later date. In order to participate in the Global Event, all Entrants must adhere to the rules and regulations set by the organizer. Administrator is not responsible for or organizing the Global Event, and makes no representations or warranties regarding an Entrant's ability to participate.

The specific details, including the duration, exact dates, accommodations, travel arrangements and the approximate retail value ("ARV") for the trip to China (the "Trip") are still to be determined, but will be communicated as soon as the information becomes available. Notwithstanding the foregoing, the actual value of Trip will vary depending upon point of departure and fluctuation in hotel and airfare rates and the winners will not be entitled to any difference between the actual value of the Trip and the ARV. Accommodations and flight times are subject to availability and black-out periods, and must coincide with the Global Event. The details of each component of the Trip, including, without limitation, choice of airline and accommodation are as determined by Alisports in its sole discretion. No change in travelling or accommodation arrangements can be made once the booking has been confirmed. None of the Releasees (as defined below) are responsible if any scheduled event, including the Global Event, is delayed, postponed or cancelled for any reason and the winners will not be reimbursed for tickets or any additional costs, including costs of accommodation. Unless otherwise provided by Alisports, all other costs and expenses associated with Trip, including but not limited to, ground transportation between the winners' residence and the departure airport, and between the destination airport and hotel, additional accommodations if required, meals, gratuities, insurance, items of a personal nature, applicable taxes (including airport taxes), personal charges at lodging, luggage fees, security fees or other expenses not specifically described as included in travel package are the responsibility of the winners of the Trip. The winners of the Trip are responsible for arranging and obtaining in advance of departure all necessary travel documentation, passports, health and other insurance as may be required. The Trip is subject to space availability at time of booking and advance reservations are required. The winners of the Trip will be required to present their ID at hotel check-in along with a valid credit card for potential incidentals or damages. Failure to comply with all travel, Global Event and accommodation rules and regulations may result in the forfeiture of all or part of the Trip, including the participation in the Global Event, and none of the Releasees will have any obligation to provide any compensation in respect thereof. Travel restrictions, conditions and limitations may apply. None of the Releasees are responsible for and will not replace any lost, mutilated, or stolen tickets, travel vouchers or certificates. It is recommended that the winners of the Trip obtain sufficient personal insurance prior to departure. None of the Releasees will be responsible if the winners are denied entry onto aircraft, into the destination, or return entry into departure point. In such a situation, the winners will be responsible for any and all additional costs incurred. In the event that a winner is Minor, Alisports, may in their sole discretion, require that the Minor be accompanied by a parent or legal guardian, or another adult designated by the parent or legal guardian, at their sole cost and expense.

Unless disqualified by Administrator, in the event the first place winner/Team of a Tournament forfeits the Trip, or is unable to travel to China to participate in the Global Event, for any reason, the first place winner/Team will still receive the cash portion of the first place prize and the second place winner/Team will be awarded the Trip and opportunity to

participate in the Global Event, unless they are also found ineligible to receive the prize. No additional compensation will be provided to the winner/Team in lieu of the Trip. This process will continue until the Trip has been awarded. The Entrants/Team Members that qualify for and otherwise accept the Trip are defined as a “Canadian Representative”, or collectively, the “Canadian Representatives”.

All prize values are listed in Canadian dollars, are non-transferable, and must be accepted as awarded, without substitutions. The cash portion of the prize will be distributed to the winners within thirty (30) days of verification by Administrator. Additional information regarding prize distribution may be provided to the winners at the time of notification. With the exception of the Trip, unclaimed prizes will not be awarded. Winners shall be solely responsible for all federal, provincial, and/or local taxes, and the reporting consequences thereof, and for any other fees, costs or required withholdings associated with the applicable prize as required by law.

4. TRAVEL ALLOWANCE TO PARTICIPATE IN THE TOURNAMENT CANADIAN FINALS

- Each Finalist (as defined below) will be provided with airfare (economy class and from the closest airport with direct flights to Toronto) and paid accommodation for up to four nights, at the Administrator’s selection and depending on the Tournament entered into. The specific dates will be set to coincide with the date(s) of the Canadian Finals, as set out in the attached individual Tournament pages. If a Finalist lives close enough to the location of the Canadian Finals that airfare would not be reasonably required (as determined by Administrator) an alternate form of transportation may be provided, otherwise the Finalist will be responsible for their own transportation to the hotel. Hotel accommodation will be provided for all Finalists. Finalists must be available to travel to Toronto on the dates set out in the individual Tournament pages or they will forfeit their right to participate in the Canadian Finals. All decisions of the Administrator are final.
- The specific details of the trip will be determined by the Administrator at its sole discretion. No change in travelling arrangements will be made once the booking has been confirmed. The Releasees are not responsible if any scheduled event is delayed, postponed or cancelled for any reason. All other costs and expenses associated with the trip, including but not limited to, ground transportation between a Finalist’s residence and the departure airport, and between the destination airport and hotel, additional accommodations if required, meals, gratuities, medical and travel insurance, travel documentation (i.e. valid photo ID, such as a driver’s license or other ID required to travel), items of a personal nature, applicable taxes (including airport taxes), personal charges at lodging, luggage fees, security fees or other expenses not specifically described herein are the sole responsibility of each Finalist. Entrants will be required to have valid photo identification to travel to Toronto and to present valid identification at hotel check-in along with a valid credit card for potential incidentals or damages.

5. ELIGIBILITY

- To enter a Tournament, each Entrant must: (a) reside in Canada while participating in the Tournament; and (b) be a permanent resident (as such term is defined by Canadian immigration) or citizen of Canada; and (c) be 16 years of age or older on or before the date that they register for the Tournament. Canadian citizens living abroad for work or school may be permitted to compete at the discretion of Administrator. Proof of foreign work or school visa or similar document may be required. For any Tournament specific eligibility requirements, see the individual Tournament pages.
- With the sole exception of Cineplex part-time Cast Members, employees, officers and directors of the Administrator, Cineplex Entertainment LP (“Cineplex”), WG Limited (WorldGaming Network LP and WG Limited are collectively referred to as “WorldGaming”), Alisports and each parties respective parents, affiliated and subsidiary entities are not eligible to participate in the Tournaments.
- The Administrator shall have the right at any time to require proof, to its sole satisfaction, of identity, date of birth and/or residency to show eligibility to participate in the Tournament and to deny any Entrant from playing or from being awarded any prize in the event that it is determined that one or more of the Entrants does not meet the eligibility criteria herein.
- Any Entrant that is at least 16 years old, but is under the age of majority in their province of residence (each a “Minor”), must have permission from a parent or legal guardian to participate. If it is determined that an Entrant is a Minor in their province of residence and does not have parental consent to participate, they will be disqualified and will not be permitted to continue in the Tournament. Note: Age of majority may differ depending on province of residence. It is an Entrant’s responsibility to verify the age of majority where they live.

- Prior to the start of the Tournament, all Entrants must meet the requirements set out in the individual Tournament pages, including but not limited to the possession of a copy of the game and a game account with the platform required to play the game.
- All Entrants participating in a Tournament for individual participation must have a WorldGaming account and agree to the Terms and Conditions found at <http://worldgaming.com/terms-and-conditions> (the “WorldGaming Terms and Conditions”). There are no fees or service charges to create or maintain an account. If an Entrant attempts to bypass the age gate by entering a false date of birth that Entrant will be disqualified. For Tournaments that require team participation, and with the exception of those entering into the Counter-Strike: Global Offensive Tournaments, only the Team Captain, as defined below, shall be required to have a WorldGaming account.
- During the Tournament, if it is determined by the Administrator that an Entrant has a WorldGaming account that is suspended or was cancelled due to a violation of current or past WorldGaming Terms and Conditions, harassment of other WorldGaming players and/or WorldGaming employees or suspected or confirmed fraud or unfair gameplay, that Entrant will be considered ineligible, will be disqualified from the Tournament, will not move forward to the next round and, if applicable, will be required to return any prizes that may be awarded.
- As set out in Section 7 below, all Entrants that qualify for and participate in the Canadian Finals will be required to sign a declaration and release confirming their understanding of, compliance with, and acceptance of the Tournament Rules with a standard release of all liability (the “Declaration”) before travel will be booked and the Entrant permitted to participate. If the Entrant is a Minor, their parent/legal guardian must sign the Declaration on their behalf before being allowed to participate. If the parent or legal guardian does not consent to signing the Declaration, travel will not be booked and the Entrant will not be permitted to participate. While a parent or legal guardian is permitted to travel with their Minor child to the Canadian Finals, it is at their sole cost and expense.
- The Tournament is subject to all applicable Canadian federal, provincial and local laws and regulations and is VOID WHERE PROHIBITED BY LAW.
- **Accessibility:** Any Entrant with a disability that requires accommodation to play at the Canadian Finals must contact the Administrator at support@cstarleague.com with “WESG – Accommodation Request” in the subject line at least two (2) weeks prior to the start of the Canadian Finals. Administrator will work with you to arrange for a suitable accommodation.
- **Quebec Entrants ONLY:** The Canadian Finals will be hosted, conducted and broadcast in English; however Entrants from Quebec will be permitted to play the Game in English or French. Unless the Entrant provides their language preference at least 24 hours prior to the start of the Canadian Finals, they will be required to play the Game in English.

6. TEAM TOURNAMENTS – The following rules apply to Tournaments that require team participation

- In order to participate, each individual must be a member of a team of five (5) Entrants (a “Team”, or collectively, “Teams”), as either a “Team Captain” or “Team Participant”, (each a “Team Member”, or collectively, “Team Members”). A team of four (4) or fewer Team Members will not be eligible to participate at any Tournament Stage. Each Entrant is only permitted to be a Team Member of one (1) Team that qualifies for the Canadian Finals.
- **Player Substitutions:** In addition to a Team’s five (5) registered Team Members, each Team may have one (1) additional Entrant designated as a substitute player (a “Substitute”). The Substitute must be identified by the Team Captain when registering for one of the Online Qualifiers’ online tournaments, and may participate in place of one of the other registered Team Members during any Tournament Stage. Substitutes may not be registered as a Team Member or designated a Substitute on any other Team, and must meet the eligibility requirements set out in these Tournament Rules. For the Canadian Finals, the Team Captain must advise the Administrator if they plan to use their Substitute in place of one of their registered Team Members before travel arrangements have been made.
- **Roster Changes:** A Team may change their Substitute, provided that the new Substitute has not previously qualified for the Canadian Finals or earned points towards qualification for the Online Playoffs on a different Team. Please contact support@worldgaming.com regarding roster changes with the subject “WESG – Roster Change” or contact the Administrator in the [WorldGaming Discord](#) server. All roster changes must be approved by the Administrator and will only be accommodated if circumstances would prohibit the Team’s further participation in the Tournament. The Administrator reserves the right to deny any such request that does not meet the above requirement. Rosters may not be changed after the start of the Online Playoffs.

7. WINNER NOTIFICATION

- Entrants that win a prize (each a "Prize") will be notified by email within twenty-four (24) hours of the conclusion of the Canadian Finals. Each Winner must send their full mailing address to the Administrator within five (5) days from the date of the email advising them that they are a winner, to successfully claim the Prize or such Prize may be deemed forfeited. In the event of any dispute concerning the operation of any element of the Tournament, the Canadian Finals, or these Tournament Rules, the decision of the Administrator will be final. Any Entrant found to have violated these Tournament Rules, even after a Prize has been awarded, will be disqualified and will be required to return the Prize awarded, or cash equivalent in full within thirty (30) days following notice from Administrator that the Entrant has violated the Tournament Rules.

8. RELEASES

- All Entrants participating in the Canadian Finals (the "Finalists"), will be required to execute and deliver to the Administrator a Declaration that confirms: (i) eligibility to participate in the Tournament and acceptance and compliance with these Tournament Rules; (ii) acceptance of the Prizes as offered (if deemed a winner); (iii) permission to record the Entrant's participation in and presence at the Canadian Finals, and use the Entrants name, photo, image and any footage or photo taken of the Entrant; (iv) release of the Administrator, Cineplex, WorldGaming, Alisports, any Tournament sponsors and promoters, and each party's respective parent, related and affiliated companies and entities, subsidiaries, members, dealers, advertising and promotional agencies, and each of their respective directors, successors, sponsors, partners, licensees, officers, subsidiaries, agents, employees, advisors, assignees, and all others associated with the development and execution of the Tournament (collectively, the "Releasees") from any and all liability in connection with this Tournament or participation in any Tournament related activities, including any travel related thereto and attendance at the Canadian Finals. In the event that Finalist is a Minor, their parent or legal guardian must sign the Declaration on their behalf and provide consent for their Minor child to travel to the Canadian Finals. While a parent or legal guardian is permitted to travel with their Minor child to the Canadian Finals, it is at their sole cost and expense. If the parent or legal guardian does not consent to the foregoing, the affected Finalist will be disqualified. Declarations for the Canadian Finals must be received by Administrator no later than 11:59pm ET on October 19, 2018.
- In addition, the Canadian Representative(s) of each Tournament will also be required to sign a Declaration in the manner and form determined sufficient by Administrator and/or Alisports, in their sole discretion, before being permitted to travel to China and participate in Global Event. In the event that a Canadian Representative is a Minor, their parent or legal guardian must: (a) sign the Declaration on their behalf and provide consent for their Minor child to travel to the Global Event; and (b) may be required at their sole cost and expense, in Alisports' sole discretion, to accompany their Minor child to the Global event or may be permitted to designate an adult over the age of majority in their state of residence to accompany their Minor child to the Global Event. If applicable, proof of airfare and other documentation may be required by Alisports to confirm, in their sole satisfaction, that an unaccompanied Minor is not travelling to China on their own. If the parent or legal guardian of the first place Winner does not accept this responsibility, the first place winner will still be entitled to receive the cash portion of the prize, but will be disqualified from travelling to China to participate in the Global Event.

9. PUBLICITY RELEASE

- Please note, the Canadian Finals will be filmed for entertainment and promotional purposes and that photographs and video footage will be taken during the events. By participating in the Tournament, each Entrant grants the Administrator, Cineplex, Alisports, the Game providers, and Tournaments sponsors with the right to use: (i) their name, email address, mailing address, telephone number and other personal information provided during their registration in the Tournament and any data collected while the Entrant is playing the Game, for the purpose of administering the Tournament, including but not limited to contacting and announcing the individuals who have qualified for the Canadian Finals; and (ii) their name, city and province or state of residence, video footage, images, voice recording, comments and opinions for entertainment, publicity and promotional purposes relating to the Tournament, in any and all media now known or hereafter devised, without further compensation unless prohibited by law. In addition, by participating in the Tournament all Entrants acknowledge and agree that the Releasees may disclose their Personal Information to third-party agents and service providers in order to affect any of the activities listed above, in accordance with the Administrator's privacy policy located at <http://worldgaming.com/privacy/>.

10. LIMITATION OF LIABILITY

- By entering this Tournament, each Entrant, or in the case of a Minor, their parent or legal guardian on their behalf, acknowledges compliance with, and agrees to be bound by, these Tournament Rules and consents to the use of their name, city of residence, and/or likeness in any publicity carried out by Releasees, and/or their advertising and promotional agencies and agents without further notice or compensation. Entrants release and hold harmless the Releasees from and against any and all manner of action, causes of action, suits, debts, covenants, contracts, claims and demands, including legal fees and expenses, whatsoever, including but not limited to, claims based on negligence, breach of contract and fundamental breach and liability for physical injury, death, or property damage which the Entrants or their administrators, heirs, successors or assigns might have or could have, by reason of or arising out of the Entrants participation in the Tournament, Canadian Finals, and/or in connection with the acceptance, use and/or misuse by the Entrant of the prize.
- None of the Releasees shall be responsible for or bear any liability for: (i) late-received, lost, unintelligible/illegible, incomplete, or misdirected registrations, entries or Game scores; (ii) entries or game plays which fail to comply with the Tournament Rules; (iii) any technical or human error that may occur in the administration of the Tournament, including any problems or technical malfunction of any computer online systems, servers, access providers, computer equipment, software, failure of any e-mail or entry to be received on account of technical problems or traffic congestion on the Internet or at any website, or any combination thereof, all of which may affect an Entrants ability to participate in the Tournament, or the ability of the Administrator to receive and/or record and Entrants Game score; and (iv) any unauthorized human and/or mechanical intervention in any part of the entry process of the Tournament.
- As a condition of participating in this Tournament, Entrant agrees that (i) under no circumstances will Entrant be permitted to obtain awards for, and Entrant hereby waives all rights to claim, punitive, incidental, consequential, or any other damages, (ii) all causes of action arising out of or connected with this Tournament, or any prizes awarded, shall be resolved individually, without resort to any form of class action, and (iii) any and all claims, judgments, and awards shall be limited to actual out-of-pocket costs incurred, but shall in no event include attorney's fees. Void if prohibited by law.
- Any attempt to deliberately undermine the legitimate operation of this Tournament is a violation of the Tournament Rules and criminal and civil laws, and should such an attempt be made, the Administrator reserves the right to seek remedies and damages to the fullest extent permitted by law, including criminal prosecution. Entrants agree to abide by the Tournament Rules.
- The Administrator reserve the right, in their sole discretion, to disqualify any Entrant who violates the Code of Conduct, tampers with the entry process and/or void any game results submitted fraudulently. Should multiple users of the same email account enter the Tournament and a dispute thereafter arise regarding the identity of the entrant, the authorized account holder of said e-mail account at the time of entry will be considered the entrant. "Authorized account holder" is defined as the natural person who is assigned an e-mail address by an Internet access provider, online service provider or other organization which is responsible for assigning email addresses or the domain associated with the submitted e-mail address. If, for any reason, the Tournament is affected by any computer virus, worm, bug, tampering, hacking, unauthorized intervention, fraud, technical failure or other cause which, in the sole opinion of the Administrator, corrupts or otherwise affects the administration, security, fairness, integrity or proper conduct of this Tournament, the Administrator may, in their sole discretion, cancel, terminate, modify, or suspend the Tournament, and determine winners from gameplay already received or as otherwise deemed fair and equitable by the Organize and/or Administrator. Automatic gameplay is prohibited, and any use of automated devices will cause disqualification.
- Administrator reserves the right, in its sole discretion, to terminate the Tournament, in whole or in part, and/or to modify, amend or suspend the Tournament, and/or to the Tournament Rules in any way, at any time, for any reason without prior notice. Any changes will be made available on <http://wesg.com/canada>.

11. CHOICE OF LAW

- The Tournament is subject to all applicable Canadian federal, provincial and local laws. All issues and questions concerning the construction, validity, interpretation and enforceability of the Tournament Rules or the rights and obligations as between the Entrant and the Administrator in connection with the Tournament shall be governed by and construed in accordance with the laws of the Province of Ontario. By entering, Entrants consent to the jurisdiction and venue of the federal, provincial and local courts located in the city of Toronto, Ontario.
- Should there be any discrepancies between the English and French versions of these Tournament Rules, the English version shall govern and supersede.

12. WINNERS LIST

- The list of winners will be posted on <http://wesg.com/canada> once the verification process has been completed.

Any disputes will be resolved by the Administrator, whose decision shall be final, conclusive and binding.  - The Online Qualifiers are open to all eligible Entrants/Teams and will consist of two (2) online tournaments per game-specific Tournament. For dates and times see the game-specific Tournament page below.
 - To register for and participate in the Online Qualifiers, an Entrant, or for team-based Tournaments, the Team Captain, must:
 - Navigate to <http://wesg.com/canada> (the "Website") during the Registration Period, and under "HOW TO JOIN", scroll to preferred game-specific Tournament section.
 - Select their preferred date from the options presented.
 - With the exception of those entering into the Counter-Strike: Global Offensive Tournaments, the Entrant/Team Captain, will be required to create and/or login to their WorldGaming account on the WorldGaming Website prior to being able to join any online tournament during the Online Qualifiers. Available spots are assigned on a first come, first served basis.
 - During registration, the Entrant must provide a valid game account. The required game account will vary, based on the game-specific Tournament being entered into. *For example: Blizzard Account, PlayStation Network ID ("PSN™ ID"), etc.* Only Entrants whose game accounts match those initially registered are eligible to play in the Tournament. Any Entrant playing during any Stage of the Tournament using a game account that does not match the one initially registered will be disqualified and will not be eligible to continue in the Tournament, or if applicable, receive a prize. Each Entrant permits the Administrator to verify that their name is registered to the game account used to enter the Tournament. In the event the Administrator is unable to conclusively verify that the name of an Entrant matches the game account used to enter the Tournament, that Entrant will be disqualified.
 - An Entrant may enter into more than one (1) online tournament, provided space is available.
- How to Play:
 - **Format:** Double elimination bracket
 - **Check-in:** With the exception of Counter-Strike: Global Offensive Tournaments, all online tournaments have a designated start time which can be found under the "My Tournaments" tab of the Entrant's/Team Captain's WorldGaming account. Entrants/Team Captains must check in and confirm their attendance on the WorldGaming Website at the designated start time of each online tournament that they've registered for.  - **Round "Byes":** Any Entrant/Team without an opponent in an online tournament round will receive a "bye" to the next round, at the discretion of the Administrator. With the exception of Counter-Strike: Global Offensive Tournaments, all Matches will appear automatically under the "My Tournaments" tab of the

- Entrant's or Team Captains WorldGaming account when both participating Entrants/Teams have been determined.
- **No-shows:** Any Entrant/Team that is not ready to play within 10 minutes of the designated start time may forfeit the first Game in the series, at the discretion of the Administrator; further, any Entrant/Team that is not ready to play within 15 minutes of the designated start time may forfeit the first Match, at the discretion of the Administrator.  - **Proof of Results:** Entrants/Team Captains are required to take appropriate in-game screenshots or videos that display the final results of each Game, and should be prepared to provide them immediately at the request of the Administrator. Failing to do so, or providing false or doctored information, may result in immediate disqualification from the Tournament and future tournaments, at the discretion of the Administrator.
 - **Qualifying for the Canadian Finals and Online Playoffs:** The winning Entrant/Team from each online tournament will automatically qualify for the Canadian Finals, will be deemed a Finalist, and will not be permitted to participate in further online tournaments. The 2nd through 6th place Entrants/Teams will earn points based on the final results of each online tournament. After the Online Qualifiers, the four (4) Entrants/Teams with the most accumulated points will qualify for the Online Playoffs. In the event that a qualified Entrant/Team is unable to attend the Online Playoffs, or is disqualified or found to be ineligible by the Administrator a replacement will be determined, at the discretion of the Administrator, by selecting the Entrant/Team with the 5th most accumulated points. Points will be distributed as follows:
 - 2nd: 12
 - 3rd: 5
 - 4th: 3
 - 5th/6th: 1
 - **Tiebreaker:** If two or more Entrants/Teams have the same number of accumulated points at the end of the Online Qualifiers, the Entrant/Team with the highest placing in any single online tournament will be considered the higher ranked Entrant/Team. If both Entrants'/Team's highest placing in any single online tournament is the same, the Entrant/Team that achieved the highest placing in the more recent online tournament will be considered the higher ranked Entrant/Team.
 - For example: If Entrant/Team A placed 2nd in the online tournament on September 23, and Entrant/Team B placed 2nd in the online tournament on September 30, Entrant/Team B will be considered the higher ranked Entrant/Team.

Schedule "B"

Esports Code of Conduct

At WorldGaming and Collegiate StarLeague, we are a team of passionate esports enthusiasts. It is our desire to create a community of equally passionate individuals who wish to compete in and/or watch esports events. In order to do so, we aspire to create esports events and tournaments that are engaging, fun, and welcoming to all players and spectators.

As the esports world is ever evolving, this document will continue to change. Any changes to this document will be posted online. Your continued participation in any event or tournament, either as a player or spectator, means that you consent to the rules below, and any updates. We recommend that you review the Code of Conduct (the "Code") regularly to ensure you are aware of your rights and responsibilities.

The following Code applies to all online and live esports events and tournaments operated by either WorldGaming Network LP or Collegiate StarLeague Inc.

The Code is meant as a guide to ensure that all players compete in a fair and sportsmanlike manner, and that players and spectators demonstrate appropriate social behaviour. Anyone participating in or watching an event or tournament is bound by the Code, and may be asked to leave the venue, and if applicable, disqualified or prohibited in participating in future events or tournaments if they fail to do so.

The following rules apply to individuals participating in an event or tournament (each a "player").

All players are expected to conduct themselves in a manner that reflects positively on the event or tournament, including all individuals and organizations affiliated with the event or tournament.

- **Competition:**
 - Players are expected to compete to the best of their ability at all times during the event or tournament, and must at all times act in accordance with the rules for the event or tournament, including any direction given by the administrator or anyone acting on its behalf.
 - Cheating is defined as any act that gives one player a competitive advantage over another. If a player feels that they have been cheated by another player, that player must raise their concern with the administrator immediately, by providing as much detail as possible. Complaints should always be accompanied by video or photographic evidence, if available, or other documentation to validate the claim. All complaints will be handled on a case-by-case basis, and depending on severity may result in: i) an initial warning, or for a second offense, immediate forfeit of the current game or match; ii) immediate forfeit of current game or match; or iii) immediate disqualification from the event or tournament and prohibition from participating in future events or tournaments. Examples of cheating include, but are not limited to:
 - Collusion and Match Fixing, defined as any agreement between two (2) or more players to disadvantage opposing players.
 - Hacking or modifying the game.
 - Using a prohibited class, team, weapon, item, or action during a game.
 - Spectating an opposing player's monitor or live streams.
 - Using restricted hardware or equipment during a game.
 - Using any player that was not registered during registration.
 - Intentionally disconnecting from any game prior to its official conclusion.
 - Exploiting known in-game bugs, glitches, and unintended game features to disadvantage opposing players.
- **Sportsmanship:**
 - We are committed to providing players with a competitive environment that is free of harassment and discrimination. To that end:
 - Players may not use language in relation to the event or tournament that is deemed by the administrator to be obscene, foul, vulgar, insulting, threatening, abusive, or otherwise offensive or objectionable.

- Players may not engage in the harassment of a country, private person or group of people through contemptuous or discriminatory words or actions on account of race, skin color, ethnic, national or social origin, ability, gender, language, religion, political opinion or any other opinion, financial status, birth or any other status, sexual orientation or any other reason.
- **Prohibited Content:**

We encourage players to wear their own jerseys and to create unique team names and player nicknames. However, jerseys, team names and players nicknames containing the following are prohibited, and may not be worn or used at any event related to the event tournament, including but not limited to, game play, player/team interviews, public appearances, or any other event where the players are appearing on behalf of or representing the event or tournament:

 - Sponsorship categories including but not limited to, drugs, alcohol or tobacco, legal or otherwise, pornography, or R rated content, firearms, political or religious organizations, hazardous products or services, gambling related products or services, products or services that represent trade with countries subject to embargoes or trade sanctions by Canada and/or the United States;
 - Language that is obscene, foul, vulgar, insulting, threatening, abusive, or otherwise offensive or objectionable;
 - Language that espouses insults, hate or harassment, or is demeaning towards individuals or groups; or
 - Content that may infringe the rights of any third party, including but not limited to intellectual property rights, or rights of a person, including parodies or satirical references to third party intellectual property.
- **General:**
 - Players are expected to respond to requests from administrators in a timely manner. Players may not disclose any confidential information provided by administrators or any parties related to the event or tournament, by any method of communication, including all social media channels.
 - In addition to the Code of Conduct, players may be obligated to comply with any rules or regulations imposed on them by the game manufacturer or equipment providers (i.e. terms and conditions associated third party accounts required for participation in an event or tournament, including but not limited to PlayStation, Xbox, or Blizzard).

The following rules apply to individuals attending a live event or tournament (each a “Spectator”):

- While watching an esports tournament live is an exciting opportunity, players are not merely participating for the enjoyment of the audience. They are there to compete in an event or tournament, which requires a level of concentration.
- Applauding and cheering for your favourite player or team is encouraged. However, heckling and abusive language towards players, referees, commentators or other spectators is not. Further, any attempt by a spectator to influence the result of a game will be dealt with accordingly and may result in immediate expulsion from the venue (for example, calling out one player’s position on a map, to give an advantage to another player).
- Spectators found to be using language that is deemed by the administrator to be obscene, foul, vulgar, insulting, threatening, abusive, or otherwise offensive, objectionable espouses insults, hate or harassment, or is demeaning towards individuals or groups will be asked to leave the venue.

The following rules apply to both Players and Spectators:

- **No Drugs or Alcohol:**
 - Use of drugs or alcohol, legal or otherwise, may lead to disruptive behaviour. Players and spectators believed to be under the influence of drugs or alcohol may be removed, and in the case of players, disqualified from the event or tournament at the sole discretion of the administrator.

All decisions regarding the enforcement of the Code are at the discretion of the administrator and are final and binding.
