

FOR IMMEDIATE RELEASE

**ODEON DRIVE-IN TO RE-OPEN
FOR THE 2005 SUMMER SEASON**

April 13, 2005, Toronto, ON (CGX.UN) Cineplex Galaxy is delighted to announce the Odeon Drive-In will once again open for the season this year. The exact date of the opening is still to be confirmed however it would be open for the May long-weekend at the latest and possibly even earlier.

“Winnipeg is a city of drive-in enthusiasts,” said Pat Marshall, vice president communications and investor relations for Cineplex Galaxy. “Winnipeggers have kept my phone ringing all winter long wondering whether the drive-in would re-open for the season this year. It’s really great to know how dedicated Winnipeggers are to this drive-in and we’re happy to re-open it for another summer.”

Last year’s overwhelming response from Winnipeggers and Manitobans alike in support of keeping the drive-in open reversed our original decision to close the 40 year-old drive-in. The drive-In remains for sale by its owners, but Cineplex Galaxy who has been asked to manage the drive-in on their behalf has agreed to run the drive-in operation for one more season. “The weather last year was not ideal for fans of the drive-in, and Cineplex Galaxy is hoping this year there will be more opportunity to enjoy nights of great movie watching under the spectacular Manitoba stars,” said Marshall.

The Odeon Drive-In will open for the season next month, and will continue the tradition of starting the movie at dusk. Ticket prices will be \$7.50 for adults, \$5.00 for children and seniors, and \$25.00 for a carload. Also, we are now recruiting for drive-in staff so anyone interested in working there this summer should apply in-person with their resume to our Cineplex Odeon Grant Park Cinemas located at 1120 Grant Avenue in Winnipeg.
