Monthly Credit and Purchased Tickets (collectively, "Ticketing Benefits")

Subject to the conditions and redemption terms below, each Membership Period you will receive:

- **Monthly Credit:** Each redeemable for one general admission ticket. Members that enroll in the Program on an annual basis, will receive one Monthly Credit per month, which will be issued each month on their enrollment date; and
- **Purchased Tickets:** The ability to purchase up to two (2) general admission tickets per showtime for \$10.99 (plus tax) per ticket. This price applies to all Members enrolled on a month-to-month basis, and any Members who join the Program on or after the Effective Date. Members enrolled on an annual basis prior to the Effective Date will continue to receive Purchased Tickets at the price in effect when their current Membership Period began, until the end of that Membership Period. Upon renewal, the update price set out herein will apply.
- Members may apply their Ticketing Benefits towards the purchase of tickets to premium experiences (e.g., 3D, 4DX, UltraAVX, IMAX, DBOX, VIP, ScreenX) with the payment of an applicable surcharge (the "**Premium Surcharge**") per ticket. The Premium Surcharge is no

more than the difference between the general admission ticket price and the cost of the premium experience based on the same date, approximate time and theatre.

- To redeem either Ticketing Benefit, you must purchase your admission tickets online at www.cineplex.com or through the Cineplex mobile application.
- Scene+ points are earned on Ticketing Benefits at the standard earn rates in effect at the time of purchase.
- Monthly Credits do not expire and can be used in subsequent months, if unused.

How to Redeem Ticketing Benefits:

While members may take advantage of the Ticketing Benefits a maximum of three (3) times per day, the showtimes must be at least ninety (90) minutes apart. For example, if you redeem a Monthly Credit or purchase a Purchased Ticket for a film starting at 7:30 pm, you will not be able to redeem a subsequent Monthly Credit or purchase a Purchased Ticket for a film starting before 9:00 pm the same day.

Limitations

Ticketing Benefits may be used to obtain tickets for movies, events, or presentations, subject to the terms and conditions applicable to each movie, event, or presentation. Certain movies, events, or special presentations may be subject to additional restrictions or exclusions that limit or modify CineClub Ticketing Benefits.

Percentage based discounts do not apply to other goods or services sold by Cineplex, including but not limited to the Cineplex Mech store, and may not be combined with any other special, discounted or promotional offer unless permitted by Cineplex. Member discounts may be subject to limits, exclusions, restrictions and applicable laws.

Membership Period and Fees

Outside Quebec

If you reside outside Quebec, your membership period starts on the date you complete your enrollment and ends on that same date one month later, for month to month Memberships, or one year after you enroll for an annual Membership or convert your month to month Membership to an annual Membership unless otherwise specified at the time of enrollment (each a "Membership Period"). If you enroll on a day that is not contained in every month (i.e. the 31st), your anniversary will take place on the last day of the month instead. Your Membership will automatically renew for an additional one-month Membership Period for month to month Memberships, or one-year for annual Memberships, unless your Membership is cancelled or terminated in accordance with these Terms. For annual Memberships, we will send you a renewal reminder sixty (60) days, or such other notice period as may be required by applicable law, prior to the end of your Membership Period. If you do not wish for your Membership to renew, refer to the Membership Cancellation section below.

The fee for your CineClub Membership, plus taxes (the "Membership Fee") will be disclosed to you at the time of your enrollment. The Membership Fee will be charged, at the start of each Membership Period, to the payment method you provide to us. Changes to your payment method must take place at least one day prior to the start of the next Membership Period to ensure that the payment method is updated prior to your next payment. Should payment of your Membership Fee be declined by your financial institution, we will attempt to process payment up to four times before cancelling your membership for non-payment. Unless otherwise set out below, the Membership Fee is non-refundable and may be changed at any

time, at our sole discretion, in accordance with the Program Changes set out below; the new fee will apply on your next membership renewal.

Quebec Residents

If you reside in Quebec, your membership starts on the date you complete your enrollment and continues for an indeterminate-term until your membership is cancelled or terminated (the "Membership Period"). However, you will be able to select monthly or annual payment options. If you enroll on a day that is not contained in every month (i.e. the 31st) and select monthly payment options, the start of your Membership Period will take place on the last day of each month instead.

The fee for your CineClub Membership, plus taxes (the "Membership Fee") will be disclosed to you at the time of your enrollment. The Membership Fee will be charged on the monthly anniversary of your enrollment for Members that sign up to pay on a monthly basis, or the yearly anniversary for Members that sign up to pay on an annual basis, to the payment method you provide to us, until your membership is cancelled or terminated. Changes to your payment method must take place at least one day prior to the date of your next payment to ensure that we are able to process your Membership Fee. Should payment of your Membership Fee be declined by your financial institution, we will attempt to process payment up to four times before cancelling your membership for non-payment. The Membership Fee may be changed at any time at our sole discretion, in accordance with the Program Changes set out below; the new fee will apply on your next membership renewal. For annual Memberships, we will send you a renewal reminder sixty (60) days, or such other notice period as may be required by applicable law, prior to the end of your Membership Period. If you do not wish for your Membership to renew, refer to the Membership Cancellation section below.

Membership Cancellation by Member

Members may cancel their Membership at any time by logging into their account at www.cineplex.com or through the Cineplex mobile application, or by contacting [Cineplex Guest Services](#). If you cancel your Membership, cancellation will be effective at the end of the current Membership Period, and no partial refund will be offered. However, you will still have access to your exclusive benefits until your Membership is cancelled. In addition, you will still have access to any unused Monthly Credits after your membership is cancelled by logging into your account. Cancellation must take place at least one day prior to the end of your Membership Period to ensure that your next payment is not charged to your payment method. For annual Membership Periods, if Members cancel their Membership within thirty (30) days after the date their Membership renews, they will be entitled to a refund of the remaining 11 months of their Membership Period, provided that you contact Guest Services within 120 days after you cancel your membership to request the refund. If you wish to re-join the Program, you must wait until the end of the Membership Period in the month you cancel your membership.

Membership Cancellation by Cineplex

Cineplex reserves the right, to the extent permitted at law, to cancel your Membership at any time if: (a) you no longer meet our eligibility criteria; (b) you have failed to pay the Membership Fee when due; (c) we have reason to believe you have abused any aspect of the Program, including purchasing merchandise for a purpose other than for your own personal use (such as purchasing merchandise for commercial use, for resale or on behalf of a third party) or in quantities exceeding normal household use, as determined by us in our sole discretion; or (d) we have reason to believe you are in breach of these Terms, as determined by us in our sole discretion. Upon cancellation, you will no longer be able to receive or benefit from Program's exclusive benefits, except for any unused Monthly Credits. If you sign up for the annual

Membership, and it is cancelled by Cineplex for reason (a) above, we will refund the annual Membership Fee to you on a prorated basis from the date of termination until the end of your Membership Period. If your Membership is cancelled for any other reason set out in this section or you have a month to month Membership, a refund of the Membership Fee will not be provided.

We may deduct any Program exclusive benefits or Scene+ points credited to your account if we believe, acting reasonably, that you have attempted to defraud us, our affiliates or service providers; abused any aspect of the Program or otherwise did not act in a good faith manner to earn such exclusive benefits.

Program Re-Enrollment

If we cancel your Membership due to your failure to pay the Membership Fee, you will no longer be able to receive the Program's ongoing exclusive benefits. However, you will still have access to any unused Monthly Credits and you can re-enroll in the Program and have the Program's exclusive benefits reinstated.

If you re-enroll, provide a new payment method or make a payment following cancellation, your Program exclusive benefits will resume, but the Membership Period and payment date will be set to the date of your re-enrollment.

Program Changes

Subject to applicable laws, we reserve the right to restrict, suspend or otherwise change any aspect of the Program. We may modify all or one or more parts of these Terms at any time, including, without limitation, the following elements:

- The eligibility conditions for participating in the Program;
- The Membership Period, renewal, renewal date and/or relevant terms;
- The Membership Fee and/or payment terms;
- Any and all Program exclusive benefits, eligibility to receive them, as well as when and how they are earned and/or redeemed; and
- Any other element of these Terms.

If these Terms are amended or any aspect of the Program is restricted, suspended or changed, we will provide you at least 30 days' advance notice, or such other notice period as may be required by applicable law, by posting the notice at www.cineplex.com and by sending you notice using the email address you provided us. The notice will describe the change, and where applicable, including the new or amended clause, how it read formerly, and the date on which the amendment will come into effect. Price changes will take effect at the start of the next Membership Period following the date of the price change. Upon receipt of such notice, and if the amendment entails an increase in your obligations or a reduction in our obligations, you may refuse the amendment and cancel your participation in the Program without cost, penalty or cancellation indemnity, by sending us notice to that effect no later than 30 days after the amendment comes into force, at the address or email address indicated in the notice. If you do not exercise your right to rescind or cancel your participation in the Program by sending us notice no later than 30 days after the amendment comes into force, your continued participation in the Program at any time after such 30-day delay has expired will constitute your consent to be bound by the amendment.

Program Termination

Subject to applicable laws, we reserve the right to:

- Terminate the Program on sixty (60) days' written notice; or

- Temporarily or permanently change or suspend all or part of the Program on thirty (30) days' written notice.

If we terminate the Program, your date of termination will coincide with the end of your Membership Period. For Member that subscribe to the Program on an annual basis, we will refund your annual Membership Fee, pro-rated from the date of termination. However, you will still have access to any unused Monthly Credits earned prior to the date of termination. We reserve the right to immediately withdraw or temporarily or permanently change or suspend all or part of the Program in any way, in the event of a material error, omission, technical problem, computer virus or bug, tampering, unauthorized intervention, fraud, technical failure or any other cause beyond our reasonable control that interferes with the safety and security of our systems, Members or the ongoing secure operation of the Program; the whole without any notice, liability or compensation. Any attempt to deliberately damage any website or mobile application or to undermine the legitimate operation of the Program in any way (as we determine in our sole discretion) could be a violation of criminal or civil laws and should such an attempt be made, we reserve the right to seek remedies and damages to the fullest extent permitted by law.
