4. PRE-APPROVAL OF INDIVIDUAL SERVICES

Cineplex's management and/or the Auditors may seek pre-approval by the Audit Committee for the engagement of the Auditors to provide specific services. Where pre-approval is required, the Audit Committee has delegated the authority to effect such pre-approval to the Chair of the Audit Committee. However, under no circumstances may the Audit Committee delegate its responsibilities to Cineplex's management.

For greater certainty, if an engagement with the Auditors for a particular service is contemplated that is neither prohibited by Section 2 nor covered under Section 3, in order for such engagement to proceed it must be individually pre-approved by the Audit Committee.

The Audit Committee will pre-approve certain services and Auditor fees during its annual Audit Planning meeting with the Auditors and management. However, it is management's responsibility to determine whether a particular service is covered by the pre-approved services/fees. Management should seek the guidance of the Audit Committee Chair where there is any ambiguity whether a particular service is pre-approved.

5. ENGAGEMENT LETTERS

Pre-approved non-audit services shall be provided by the Auditors pursuant to an engagement letter with the appropriate Cineplex entity that satisfies each of the following requirements:

- the engagement letter shall be in writing and signed by the Auditors and the Chair of the Audit Committee; and
- the engagement letter shall set out the particular non-audit services to be provided by the Auditors which, unless individually pre-approved, shall be within the categories of pre-approved non-audit services described in Section 3.

6. REPORTS OF SERVICES TO THE AUDIT COMMITTEE

At every regularly-scheduled meeting of the Audit Committee, management shall report on all new pre-approved engagements of the Auditors since the last such report. The Auditors may comment on the report if they wish to do so. All engagement letters entered into pursuant to these Procedures shall be made available to the Audit Committee upon demand.
