Notes to Interim Condensed Consolidated Financial Statements

1. General information

Cineplex Inc. (“Cineplex”) an Ontario, Canada corporation, is one of Canada’s largest entertainment organizations, with theatres and location-based entertainment venues in ten provinces. Cineplex also operates businesses in digital commerce, cinema media, digital place-based media and amusement solutions through its wholly owned subsidiaries, Cineplex Entertainment Limited Partnership (the “Partnership”), Famous Players Limited Partnership (“Famous Players”), Galaxy Entertainment Inc. (“GEI”), Cineplex Digital Media Inc. (“CDM”), and Player One Amusement Group Inc. (“PIAG”). Cineplex is headquartered at 1303 Yonge Street, Toronto, Ontario, M4T 2Y9.

On December 15, 2019, Cineplex entered into an arrangement agreement (the “Arrangement Agreement”) with Cineworld Group, plc (“Cineworld”), pursuant to which an indirect wholly-owned subsidiary of Cineworld agreed to acquire all of the issued and outstanding common shares of Cineplex (“Shares”) for \$34.00 per share in cash (the “Cineworld Transaction”). The Cineworld Transaction was to be implemented by way of a statutory plan of arrangement under the *Business Corporation Act* (Ontario).

On June 12, 2020, Cineworld delivered a notice (the “Termination Notice”) to Cineplex purporting to terminate the Arrangement Agreement. In the Termination Notice, Cineworld alleged that Cineplex took certain actions that constituted breaches of Cineplex’s covenants under the Arrangement Agreement including failing to operate its business in the ordinary course. In addition, Cineworld alleged that a material adverse effect had occurred with respect to Cineplex. Cineworld’s repudiation of the Arrangement Agreement was acknowledged by Cineplex and the Cineworld Transaction did not proceed. Cineplex vigorously denied Cineworld’s allegations.

On July 3, 2020, Cineplex announced that it had commenced an action in the Ontario Superior Court of Justice (the “Court”) against Cineworld and 1232743 B.C. Ltd. seeking damages arising from what Cineplex claimed was a wrongful repudiation of the Arrangement Agreement. The claim sought damages, including the approximately \$2,180,000 that Cineworld would have paid upon the closing of the Cineworld Transaction for Cineplex’s securities, reduced by the value of the Cineplex securities retained by its security holders, as well as compensation for other losses including the loss to Cineplex of expected synergies, the failure of Cineworld to repay or refinance Cineplex’s approximately \$664,000 in debt, and transaction expenses. Cineplex also advanced alternative claims for damages for the loss of benefits to its security holders, and to require Cineworld to disgorge the benefits it improperly received by wrongfully repudiating the Cineworld Transaction.

On July 6, 2020, Cineworld announced that it would defend Cineplex’s claim, and on September 2, 2020, filed its Statement of Defence and Counterclaim in which it denied Cineplex’s claims and advanced a counterclaim seeking reimbursement of £32,000 for costs incurred with respect to the transaction and an unspecified amount for punitive damages. Cineplex responded to Cineworld’s defence and counterclaim on September 15, 2020, denying all claims levied by Cineworld.

A trial of the action commenced before the Court on September 13, 2021 and continued until November 4, 2021.

On December 14, 2021, the Court released its decision in the action (the “Decision”). The Court held that Cineplex did not breach any of its covenants in the Arrangement Agreement, and that Cineworld had no basis for terminating the Arrangement Agreement. The Court held that Cineworld breached the Arrangement Agreement and repudiated the transaction to acquire Cineplex, which actions precluded Cineplex from seeking specific performance and entitled Cineplex to monetary damages. The Court awarded damages for breach of contract to Cineplex in the amount of \$1,240,000 on account of lost synergies, and \$5,500 for transaction costs, exclusive of pre-judgment interest. The Court also held that Cineplex’s shareholders did not have any rights under the Arrangement Agreement to enforce the agreement or sue Cineworld for any breach. The Court also denied Cineworld’s counterclaim against Cineplex.

On January 12, 2022, Cineworld filed a Notice of Appeal with the Court of Appeal for Ontario and on January 27, 2022, Cineplex filed its Notice of Cross Appeal. The Ontario Court of Appeal will hear Cineworld's Appeal and Cineplex's Cross Appeal during the hearing scheduled for October 12-13, 2022.

While Cineplex has engaged third-party advisors to maximize the value of the award, due to uncertainties inherent in appeals, it is not possible for Cineplex to predict the timing or final outcome of the appeal of the Decision announced by Cineworld. Further, even if Cineworld's appeal is not successful, Cineworld may not have the ability to pay the full amount of any damages or costs awarded by the Court. Therefore no amount has been accrued as a receivable.

The Board of Directors approved these consolidated financial statements on May 12, 2022.

2. COVID-19 business impacts, risks and liquidity

In early 2020, the outbreak of COVID-19 was confirmed in multiple countries throughout the world and on March 11, 2020, it was declared a global pandemic by the World Health Organization ("WHO"). In response, Cineplex immediately introduced enhanced cleaning protocols and reduced theatre capacities to promote social distancing. By mid-March 2020, each of Canada's provinces and territories had declared a state of emergency resulting in, among other things, the mandated closure of non-essential businesses, restrictions on public gatherings and quarantining of people who may have been exposed to the virus. On March 16, 2020, Cineplex announced the temporary closure of all of its theatres and LBE venues across Canada, as well as substantially all route locations operated by P1AG. On August 21, 2020, Cineplex reopened its entire circuit of theatres and LBE venues, however, theatre operations and LBE venues were continuously impacted by additional government mandated restrictions and closures over the next several quarters.

As of July 17, 2021, Cineplex had reopened its entire circuit of theatres subject to capacity restrictions, in some cases after months of extended closure periods. The reopening included Cineplex's then 161 theatre locations, encompassing 1,656 screens across Canada including 18 VIP Cinemas locations. As restrictions were temporarily eased in markets in which Cineplex operated, Cineplex also reopened its LBE venues across Canada as well as route locations operated by P1AG. All theatres, LBE venues and P1AG route locations continue to operate with enhanced safety and cleaning measures to ensure the safety of Cineplex's employees and customers.

Effective December 18, 2021, due to the rise of the Omicron variant, capacity restrictions were reinstated in Ontario, Cineplex's largest market, limiting indoor capacity to 50% along with prohibiting the consumption of concessions in theatres. Theatres in Quebec were also mandated to temporarily close effective December 20, 2021. During the beginning of the first quarter of 2022, social gathering restrictions were further modified or reinstated in several key markets in which Cineplex operates, resulting in theatre closures in Ontario. Cineplex was also required to temporarily close or reduce capacity in other provinces. Effective January 29, 2022, January 31, 2022 and February 7, 2022 respectively, theatres in New Brunswick, Ontario and Quebec were permitted to reopen at reduced capacity levels, respectively. As restrictions have been eased in many markets in which Cineplex operates, theatres and LBE venues across Canada were permitted to operate at full capacity, with the exception of Prince Edward Island which were limited to operate at a 75% capacity maximum as at March 31, 2022. Subsequent to March 31, 2022, the remaining capacity restrictions in Prince Edward Island were lifted. As a result of increased vaccination rates and decreasing case counts, all provinces except British Columbia ceased proof of vaccination programs by March 31, 2022 with British Columbia ending its program on April 9, 2022. Mask mandates were lifted in all provinces with the exception of Quebec and Prince Edward Island. Cineplex is continuously monitoring operating restrictions and adjusting operating capacities in accordance with government directives.

Since the closure of its theatres and LBE venues in March 2020, Cineplex diligently prepared for their safe reopening, carefully re-examining all of its buildings and processes and implementing an industry-leading program with end-to-end health and safety protocols. In June 2021, Cineplex introduced its VenueSafe program, which encompasses all of Cineplex's health and safety protocols, in accordance with Canada's public health guidelines.

Canada's vaccination rate has made tremendous progress with a high percentage of the eligible population receiving at least two doses of a COVID-19 vaccine. The Canadian government has also accelerated the rollout of COVID-19 vaccine booster doses providing extra protection against COVID-19 and its variants. As a result of the declining hospitalizations related to COVID-19, high vaccination rate and wide availability of COVID-19 vaccines, most provinces across Canada have lifted COVID-19 related measures with proof of vaccination requirements no longer being mandatory. With the exception of Quebec and Prince Edward Island, all other provinces have lifted the mask mandates. With the uncertainty of further government-imposed restrictions and the potential long-term effect that the pandemic may have on Cineplex's businesses, COVID-19 may continue to have a prolonged material negative impact on Cineplex's operations and return to profitability.

As at March 31, 2022, Cineplex had a cash balance of \$24,094 and \$228,614 available under its Revolving Facility subject to the liquidity covenants set forth in the Credit Facilities as amended (note 6, Long-term debt). Combined with the continued focus on reducing costs and capital expenditures, management believes that it has adequate liquidity to fund operations for the currently anticipated duration of the pandemic in the regions in which Cineplex operates.

COVID-19 resulted in closures of substantially all leased properties and the suspension of the use of most equipment for the first quarter of 2021. The rise of Omicron variant in December 2021 resulted in theatre closures in Ontario and capacity and food service restrictions reinstated in other provinces for a certain period of time during the first quarter of 2022. Beginning in the third quarter of 2020, Cineplex agreed to a variety of arrangements with landlords to reduce or defer payments. The effect of those reductions or deferrals reduced both lease obligations and right-of-use assets by approximately \$2,276 and \$8,622 for the three months ended March 31, 2022 and 2021, respectively.

At December 31, 2020 the recoverability of the net deferred income tax assets in the normal course of business was uncertain and accordingly the net deferred tax assets were derecognized. Cineplex will evaluate the likelihood of recoverability in the ordinary course of business at each balance sheet date, and will recognize net deferred tax assets when and if appropriate. As Cineplex's businesses continue to recover and return to profitability, deferred income tax assets and liabilities may be recognized, and reversal of previously recognized impairments may be appropriate.

The 2022 current tax recovery represents losses reported on the 2021 tax returns that have been carried back to offset prior period taxable income, in excess of the 2021 tax provision.

Cineplex's combined statutory income tax rate at March 31, 2022 was 26.3% (2021 - 26.3%).

By Notice of Reassessment ("NOR") dated January 22, 2019, the Canada Revenue Agency ("CRA"), disallowed the deduction of \$26,600 of losses of AMC Ventures Inc. ("AMC") that Cineplex had obtained on the acquisition of AMC in 2012. The disallowance of the losses, which offset taxable income generated in 2014, increased taxes and interest payable by approximately \$8,600, 50% of which was required to be paid immediately (interest continues to accrue on the unpaid amount). Cineplex disagrees with the CRA's position, and has commenced an appeal to the Tax Court of Canada in respect of the NOR. On June 28, 2021, Cineplex received a response from the Attorney General of Canada representing the CRA confirming its position with respect to the disallowance of the losses. The appeals process is continuing and Cineplex believes that it should prevail in defending its original filing position, although no assurance can be given in this regard as the appeal process proceeds.

Omnibus Incentive Plan

On November 12, 2020, the Board of Directors approved a new Omnibus Incentive Plan (the “Incentive Plan”). This plan supersedes the former incentive plans (collectively, the “Legacy Plan”) that included Options, Performance Share Units (“PSUs”) and Restricted Share Units (“RSUs”). All employees and consultants are eligible to participate in the Incentive Plan. The Incentive Plan consists of stock options, RSUs and PSUs. Awards of RSUs and PSUs granted during a service year will be subject to a service period as determined by management at the time of issuance. The aggregate number of Shares that may be issued under the Incentive Plan is 3,516,645 provided that no more than 1,904,538 Shares may be issued in aggregate pursuant to the settlement of RSUs and PSUs. Options that were issued under the Legacy Plan and are subsequently cancelled will be available to be issued under the Incentive Plan. The base Share equivalents granted as RSU and PSU awards attract compounding notional dividends at the same rate as outstanding Shares, which are notionally re-invested as additional base Share equivalents. PSU and RSU awards may be settled in Shares issued from treasury, cash, or a mix of Shares and cash, at Cineplex’s option at the time of settlement. Awards outstanding under prior plans shall remain in full force and effect under the prior plans according to their respective terms. Under the prior plans, the effects of changes in estimates of performance results are recognized in the year of change. As at March 31, 2022, 875,889 Shares are available to be issued under the Incentive Plan (2021 - 2,327,035).

Stock Options

Stock options issued under the Incentive Plan will be administered by the Board of Directors which will establish the exercise price at the time each option is granted, which in all cases will not be less than the market price on the grant date. All of the options must be exercised over specified periods not to exceed ten years from the date granted. Options issued under the Incentive Plan may be exercised for cash or on a cashless basis, both of which result in the issuance of Shares from treasury. Options granted will be accounted for as equity-settled.

Cineplex recognized employee benefits expense of \$517 with respect to the options during the period ended March 31, 2022 (2021 - \$399). In the first quarter of 2021, 165,146 stock options issued under the Legacy Plan were cancelled for total consideration of \$60 as part of a voluntary stock option cancellation program that was initiated in the fourth quarter of 2020.

The fair value of options granted in 2022 were determined using the Black-Scholes valuation model using the following significant inputs:

	2022
Number of options granted	223,578
Share price	\$ 13.39
Exercise price	\$ 13.39
Expected option life (years)	4.0
Volatility	49.39 %
Dividend yield	— %
Annual risk-free rate	1.58 %
Fair value of options granted	\$ 5.33

Upon cashless exercises, the options exercised in excess of Shares issued are cancelled and returned to the pool available for future grants. At March 31, 2022, 377,384 options are available for grant.

A summary of option activities in 2022 and 2021 is as follows:

	Weighted average remaining contractual life (years)	2022		2021	
		Number of underlying shares	Weighted average exercise price	Number of underlying shares	Weighted average exercise price

The exercise price was equal to the market price of Cineplex shares at the grant date.

RSU and PSU awards

The grants of Share equivalents were as follows:

	PSU Share equivalents granted	RSU Share equivalents granted	PSU Share equivalents minimum payout	PSU Share equivalents maximum payout
2022 LTIP awards granted in Q1 2022	177,973	284,661	—	355,946
2021 LTIP awards granted in Q2 2021	167,546	315,619	—	335,092
2020 LTIP awards granted in Q3 2020	284,214	277,105	—	568,428

During the period ended March 31, 2022, Cineplex issued 284,661 equity settled RSUs with a fair value \$13.39 per unit (total fair value of \$3,812 on issuance) and 177,973 equity settled PSUs with a fair value of \$13.39 per unit (total fair value of \$2,383 on issuance). The fair value was assessed based on Cineplex's closing Share price on the grant date. The RSU and PSU awards issued will vest in the fourth quarter of 2024.

Compensation expense is recorded based on the number of units expected to vest, the current market price of Cineplex's common shares, and the application of a performance multiplier that ranges from a minimum of zero to a maximum of two. Performance multipliers are developed based on Total Shareholder Return percentile rank relative to a select peer group and composite group. Participants will receive one fully paid Share issued from treasury that can vary depending on the achievement of established performance targets. Performance conditions are reflected in Cineplex's estimate of the grant-date fair value for equity instruments granted.

Incentive Plan costs are estimated at the grant date based on expected performance results then accrued and recognized on a graded basis over the vesting period. Forfeitures are estimated to be nominal, based on historical forfeiture rates. Cineplex recognized compensation expense of \$1,703 for the period ended March 31, 2022 (2021 -

Deferred equity units

Members of the Board of Directors and certain officers of Cineplex may elect to defer a portion of their compensation in the form of deferred equity units. For the period ended March 31, 2022, Cineplex recognized compensation expense of \$38 (2021 - \$902) associated with the deferred equity units. At March 31, 2022, \$4,999 (2021 - \$3,898) was included in share-based compensation liability.

6. Long-term debt

Long-term debt consists of the following as at March 31, 2022:

	March 31, 2022	December 31, 2021
Credit Facilities	303,000	260,000
Convertible Debentures	238,671	234,472
Notes Payable	245,140	244,739
Total	<u>\$ 786,811</u>	<u>\$ 739,211</u>

Cineplex has bank facilities with a syndicate of lenders which includes a revolving facility (the “Revolving Facility”) and non-revolving credit facility (the “Term Facility”, and together with the Revolving Facility, the “Credit Facilities”) pursuant to a seventh amended and restated credit agreement dated November 13, 2018 between Cineplex, Cineplex Entertainment Limited Partnership, the guarantors from time to time party thereto, and a syndicate of lenders (as further amended from time to time, the “Credit Agreement”). The Term Facility was repaid in full in the first quarter of 2021 and is no longer available for future borrowing.

The Credit Facilities bear interest at a floating rate based on the Canadian dollar prime rate, U.S. Base Rate, LIBOR or bankers’ acceptances rates plus, in each case, an applicable margin to those rates. The Revolving Facility matures in November 2023. Borrowings on the Revolving Facility can be made in either Canadian or US dollars.

Cineplex’s Credit Facilities contain restrictive covenants that limit the discretion of Cineplex’s management with respect to certain business matters. These covenants place limits and restrictions on, among other things, the ability of Cineplex to create liens or other encumbrances, to pay dividends or make certain other payments, minimum liquidity covenants, anti-hoarding provisions, investments, loans and guarantees and to sell or otherwise dispose of assets and merge or consolidate with another entity. The Credit Facilities are secured by all of Cineplex’s assets. The Revolving Facility is drawn upon and repaid on a regular basis and as such is presented on a net basis in the Statement of Cash flows.

On June 29, 2020, Cineplex entered into the First Credit Agreement Amendment, following which, on November 12, 2020 Cineplex entered into the Second Credit Agreement Amendment, on February 8, 2021 Cineplex entered into the Third Credit Agreement Amendment and on December 30, 2021 Cineplex entered into the Fourth Credit Agreement Amendment. The amendments provided certain financial covenant relief in light of the COVID-19 pandemic and its effects on Cineplex’s businesses, while applying additional restrictive covenants and required repayments in certain circumstances.

The following is a summary of the key terms of the Third Credit Agreement Amendment entered into on February 8, 2021 that are updated from the First and Second Credit Agreement Amendments (certain of which have been modified further by the Fourth Credit Agreement Amendment described below):

- The following amendments to the Credit Facilities became effective upon the completion of the issuance of \$250,000 Notes Payable during the first quarter of 2021:
 - The suspension of financial covenant testing was extended until the fourth quarter of 2021. On resumption of financial covenant testing in the fourth quarter of 2021:
 - for the fourth quarter of 2021, testing was based on an annualized calculation of Adjusted EBITDA (as further adjusted in accordance with the Credit Agreement definitions) based on the actual results for such quarter;
 - for the quarter ending on March 31, 2022, testing was based on an annualized calculation of Adjusted EBITDA based on actual results for the fourth quarter of 2021 and the first quarter of 2022 multiplied by 2; and
 - for the quarter ending on June 30, 2022, testing will be based on an annualized calculation of Adjusted EBITDA for the fourth quarter of 2021, the first quarter of 2022 and the second of 2022 multiplied by 4/3.
 - Thereafter, testing will be based on an annualized calculation of the cumulative Adjusted EBITDA on a trailing four fiscal quarter basis;
 - The Total Leverage Ratio of 3.75x will apply when financial covenants are reinstated, and will be reduced until the third quarter of 2022 at which point it will reach a level of 3.00x;

 - Effective with the fourth quarter of 2021, additional growth capital expenditures will be subject to pro-forma Total Leverage covenant of 2.75x (both prior to and immediately after giving effect to any such growth capital expenditure) based on actual last 12 months' EBITDA; and
 - Distributions continue to be blocked during the extended financial covenant suspension period and only permitted when the Total Leverage ratio is less than 2.75x (both prior to and immediately after giving effect to any such distribution).

On December 30, 2021, Cineplex entered into the Fourth Credit Agreement Amendment, which, among other things, extended the suspension of financial covenant testing until the second quarter of 2022 and liquidity covenant requirement until June 30, 2022. During the first quarter of 2021, Cineplex completed a sale-leaseback transaction for its head office buildings located at 1303 Yonge Street and 1257 Yonge Street, Toronto Ontario for gross proceeds of \$57,000, recognizing a gain of \$30,061. Net proceeds from the sale, in addition to net proceeds from the issuance of the Notes Payable (discussed below) were used to repay the Credit Facilities, a portion of which was permanent. As a result, Cineplex permanently repaid the remaining \$50,000 balance of its outstanding Term Facility.

This summary of the Credit Agreement is qualified in its entirety by reference to the provisions of the Credit Agreement which contains a complete statement of those terms and conditions. The Credit Agreement and each of the First, Second, Third and Fourth Credit Agreement Amendment were filed on SEDAR with the dates of filing on June 30, 2020, November 13, 2020, February 8, 2021 and January 4, 2022, respectively, for each of Credit Agreement Amendments.

Following the Fourth Credit Agreement Amendment, including mandatory repayments, the Credit Facilities consist of the following:

- a) a five-year, \$541,668 senior secured Revolving Facility; \$303,000 that has been drawn; \$10,054 reserved and \$228,614 remaining available balance.

Convertible debentures

Convertible debentures consist of the following:

	March 31, 2022	December 31, 2021
Face value of convertible debentures outstanding	\$ 316,250	\$ 316,250
Unaccreted deferred financing fees and discount	(77,579)	(81,778)
Convertible debentures	<u>\$ 238,671</u>	<u>\$ 234,472</u>

On July 17, 2020, Cineplex issued \$316,250 aggregate principal amount of convertible unsecured subordinated debentures, which mature on September 30, 2025 (the "Maturity Date") and bear interest at a rate of 5.75% per annum, payable semi-annually in arrears on September 30 and March 31 in each year.

The Debentures are not redeemable by Cineplex prior to September 30, 2023. On or after September 30, 2023 and prior to September 30, 2024, Cineplex may, at its option, redeem the Debentures in whole or in part from time to time provided that the volume weighted average trading price of the Shares on the Toronto Stock Exchange during the 20 consecutive trading days ending on the fifth trading day preceding the date on which the notice of redemption is given is not less than 125% of the conversion price. On or after September 30, 2024, the Debentures may be

redeemed in whole or in part from time to time at the option of Cineplex at a price equal to their principal amount plus accrued and unpaid interest. Redemption may be in the form of cash or in the form of Shares, at the option of Cineplex.

At the holder's option, the Debentures may be converted into Shares at a conversion price of \$10.94 per Share at any time prior to the close of business on the earlier of: (i) five business days prior to the Maturity Date, and (ii) if called for redemption, five business days immediately preceding the dated fixed for redemption of the Debentures, at a conversion price to be determined at the time of pricing. Holders who convert their Debentures into Shares will receive accrued and unpaid interest for the period from the date of the latest Interest Payment Date to the date of conversion. Conversion of outstanding Debentures will result in the issuance of Shares from treasury.

The fair value of the liability component of the Debentures was assessed at inception based on an estimated market discount rate of 14.1% less the pro-rata portion of transaction costs, and will be accreted to the full face value over the term of the Debentures. During the period ended March 31, 2022, Cineplex recorded accretion and cash interest expense on the Debentures of \$4,199 (2021 - \$3,658) and \$4,509 (2021 - \$4,459), respectively, both of which are included as part of the interest expense in the consolidated statement of operations. As at March 31, 2022, Cineplex has \$316,250 principal amount of Debentures outstanding. The residual value was allocated to the equity component less the pro-rata portion of transaction costs as prescribed by IFRS 9, *Financial instruments* and IAS 32, *Financial instruments: Presentation*.

The foregoing is a summary of the key terms of the Debentures. This summary is qualified in its entirety by reference to the provisions of the Debentures trust indenture which contains a complete statement of those terms and conditions. The Debenture trust indenture was filed on SEDAR on July 15, 2020.

Notes payable

Notes Payable outstanding as of March 31, 2022 are as follows:

	March 31, 2022	December 31, 2021

The Notes Payable are subordinate to the security granted for the obligations under the Credit Facilities, and are subject to the terms of an intercreditor agreement with the agent under the Credit Facilities.

During the period ended March 31, 2022, Cineplex recorded accretion and cash interest expense on the Notes Payable of \$401 (2021 - \$80) and \$4,546 (2021 - \$1,695), respectively, both of which are included as part of interest expense in the consolidated statement of operations. As at March 31, 2022, Cineplex has \$250,000 principal amount of Notes Payable outstanding. Cineplex's derivative financial instrument on the Notes Payable relates to the early prepayment option that fluctuates in value based on market interest rates. The fair value of the embedded derivative was determined using an option pricing model with observable market inputs and is consistent with accepted methods for valuing financial instruments. Cineplex has estimated the fair value of this embedded derivative at \$5,410 as at March 31, 2022, which is presented on the consolidated balance sheets as a derivative financial instrument.

11. Net loss per share

Basic

Basic earnings per share (“EPS”) is calculated by dividing the net loss by the weighted average number of shares outstanding during the period.

	<u>2022</u>	<u>2021</u>
Net loss	\$ (42,225)	\$ (89,688)
Weighted average number of shares outstanding	<u>63,346,444</u>	<u>63,334,317</u>
Basic EPS	<u>\$ (0.67)</u>	<u>\$ (1.42)</u>

Diluted

Diluted EPS is calculated by adjusting the weighted average number of shares outstanding to assume conversion of all dilutive potential shares. A calculation is done to determine the number of shares that could have been acquired at fair value (determined as the average market share price of the outstanding shares for the period), based on the monetary value of the rights attached to the potentially dilutive shares. The number of shares calculated above is compared with the number of shares that would have been issued assuming exercise of conversions, exchanges or options. Anti-dilutive shares that have been excluded in the current period were 226,815 potential shares that would be issued under the treasury stock method and 4,816,881 potential shares that would have been issued under the if-converted method relating to Debenture units outstanding. The options and Debentures are anti-dilutive in 2022 and 2021, as applicable.

	<u>2022</u>	<u>2021</u>
Net loss	\$ (42,225)	\$ (89,688)
Weighted average number of shares for diluted EPS	<u>63,346,444</u>	<u>63,334,317</u>
Diluted EPS	<u>\$ (0.67)</u>	<u>\$ (1.42)</u>

13. Operating segments

Cineplex has four reportable segments; Film Entertainment and Content, Media, Amusement and Leisure and Location-Based Entertainment. The reportable segments are business units offering differing products and services and managed separately due to their distinct natures. These four reportable segments have been determined by Cineplex's chief operating decision makers. The Film Entertainment and Content reporting segment does not charge an access fee to the Media reporting segment. All other inter-segment transactions are eliminated in the Corporate and other category, which includes all corporate general and administrative costs not directly associated with a segment. Cineplex reports the total of its segments which is considered an other financial measure in accordance with National Instrument 52-112 Non-GAAP and Other Financial Measures. The total segments measure includes a non-GAAP measure, adjusted EBITDAaL and is described below.

Film Entertainment and Content

The Film Entertainment and Content reporting segment includes all direct and ancillary revenues from theatre attendance, including box office and food service revenues and the associated costs to provide those products and services. Also included in the Film Entertainment and Content segment are in-theatre amusement, theatre rentals and digital commerce rental and sales and associated costs.

Media

The Media reporting segment is comprised of the aggregation of two operating segments, cinema media and digital place-based media businesses. Cinema media consists of all in-theatre advertising revenues and costs, including pre-show, showtime and lobby advertising. Digital place-based media is comprised of revenues and costs associated with the design, installation and operations of digital signage networks, along with advertising on certain networks. Aggregation of these operating segments is based on the segments having similar economic characteristics.

Amusement and Leisure

The Amusement and Leisure reporting segment includes the amusement solutions operating segment. Amusement solutions is comprised of revenues and costs associated with operating and distributing amusement, gaming and vending equipment. Previously reported periods included results for eSports in the Amusement and Leisure segment.

Location-Based Entertainment

Location-based entertainment is comprised of the social entertainment destinations featuring gaming, entertainment and dining. These entertainment options are complemented with an upscale casual dining environment, featuring an open kitchen and contemporary menu, as well as a larger bar with a wide range of digital monitors and a large screen for watching sporting and other major events.

In accordance with IFRS 8, *Operating Segments*, Cineplex discloses information about its reportable segments based upon the measures used by management in assessing the performance of those reportable segments. Cineplex uses adjusted EBITDAaL to measure the performance of its reportable segments.

Management defines EBITDA as earnings before interest income and expense, income taxes and depreciation and amortization expense. Adjusted EBITDA excludes the change in fair value of financial instrument, loss (gain) on disposal of assets, foreign exchange, the equity (income) loss of CDCP, and impairment, depreciation, amortization, interest and taxes of Cineplex's other joint ventures and associates. Adjusted EBITDAaL modifies adjusted EBITDA to deduct current period cash rent paid or payable related to lease obligations. During the year, Cineplex agreed to a variety of arrangements with landlords to reduce or defer cash rent paid or payable as a result of the impact of COVID-19.

Cineplex's management believes that adjusted EBITDAaL is an important supplemental measure of Cineplex's profitability at an operational level and provides analysts and investors with comparability in evaluating and valuing Cineplex's performance period over period. EBITDA, adjusted for various unusual items, is also used to define certain financial covenants in Cineplex's Credit Facilities.

Cineplex's cash management and other treasury functions are centralized; interest expense not related to the lease obligations and interest income are not allocated to segments. Income taxes are accounted for by entity, and cannot be attributable to individual segments. Cineplex does not report balance sheet information by segment because that information is not used to evaluate performance or allocate resources between segments.

The following tables disclose the results of the Film Entertainment and Content, Media, Amusement and Leisure and Location-Based Entertainment segments for the three months ended March 31, 2022 and 2021:

14. Basis of presentation and accounting standards

Basis of preparation and measurement

Cineplex prepares its unaudited interim condensed consolidated financial statements in accordance with Canadian generally accepted accounting principles (“Canadian GAAP”), defined as International Financial Reporting Standards (“IFRS”) as set out in the CPA Canada Handbook. The preparation of consolidated financial statements in accordance with IFRS requires the use of certain critical accounting estimates. It also requires that management exercise judgment in applying Cineplex’s accounting policies. These unaudited interim condensed consolidated financial statements are presented in accordance with International Accounting Standard (“IAS”) 34, *Interim Financial Reporting*. The disclosures contained in these unaudited interim condensed consolidated financial statements do not contain all requirements of Canadian GAAP for annual consolidated financial statements and should be read in conjunction with the audited consolidated financial statements for the year ended December 31, 2021. These unaudited interim condensed consolidated financial statements follow the same accounting policies and methods of application as the audited financial statements for the year ended December 31, 2021.

Accounting standards issued

IFRS 16, Leases (“IFRS 16”) - Amendment

The International Accounting Standards Board (“IASB”) extended by one year, the application period of the practical expedient in IFRS 16, *Leases*, for COVID-19 related rent concessions. The IASB has extended the relief by one year to cover rent concessions that reduce only lease payments due on or before June 30, 2022. The amendment is effective for annual reporting periods beginning on or after April 1, 2021.

Cineplex will not apply the practical expedient to lease concessions.

15. Subsequent events

Subsequent to March 31, 2022, CDCP stopped charging distributors virtual print fees as part of the planned end of the limited life financing entity. CDCP expects to distribute its assets to its partners in 2022, and Cineplex will recognize a return of capital under IAS 28, *Investments in Associates and Joint Ventures*. Any difference between the carrying value of Cineplex’s equity interest in CDCP and the fair value of the assets received will be recognized in income. Cineplex’s carrying value of its investment in CDCP is approximately \$5,700 at March 31, 2022. CDCP has net equity of approximately \$9,700 at March 31, 2022 comprised of working capital of approximately \$7,400 and equipment carrying value of approximately \$2,300. Cineplex has a 78.2% interest in CDCP at March 31, 2022.
